## Footsteps History

The mission of The April 4th Foundation, Inc. is to "Tell the story...Pass it on" of the incredible sacrifices and successes of the civil rights movement. Since its inception, "Footsteps," the youth component of The April 4th Foundation, has educated and inspired thousands of youth throughout the City of Memphis. These students have been able to meet and talk with the living legends and civil rights icons of the movement and to visit historic civil rights locations throughout the south. A few of the inspirations who have actively participated with "Footsteps" have been Dr. Joseph Lowery, Dr. Christine King Farris, the sister of Dr. Martin Luther King, Jr., Dr. Hattie Jackson, the wife of Pastor H. Ralph Jackson and renowned actor and activist, Harry Belafonte. The Summer group has been able to travel to Atlanta, Birmingham, and Washington DC for special event and meetings. All of this is through the generous contributions and support of our sponsors.

Already in 2014, Dr. C. T. Vivian has met with over 250 middle school students who had been studying his work for a question and answer session. Summer 2014, a group will have an exciting weeklong experience including travel to Civil Rights leaders and venues in Mississippi. Registration and nominations for the 2014 class begins May 12, 2014.
